Office of Auditor of State	Annual Fee - Periodic Exam	G	200.00
			<b>6,486.75</b>

No Public Comments.

Jared Burkle with PeopleServices reviewed the quarterly water report. The annual water report has been completed, the backup chlorine pump has been received, and they plan to flush hydrants in April. There was discussion on the need for the circulation pump to run year-round. The leak detection is expected later this week.

**Dog Ordinance Review:** City Hall has received complaints on dog related issues. As a reminder, it is unlawful to allow an animal to run at large, to allow a dog to cause serious annoyance or disturbance with habitual barking, or to allow an animal to pass upon the premises of another to cause interference or damage. Please be neighborly and act accordingly.

Motion by Kinkad, second by Schultz to approve the first reading of Ordinance 106 Amending Water Rates effective July 1, 2022 from \$35 to \$40/ month for residential, and from \$105 to \$120 for non-residential. Roll call vote, all ayes, motion carried. The second & final reading will be considered next month.

There have been complaints about damage around the hydrants from snow removal. The snow removal contract does state "shoveling" in this area. Mayor Hart will ask the snow removal contract to complete repairs.

The parks committee presented ideas for a clayton sign at the riverfront, but new estimates have not been received. More information will be available next month.

Mayor report: The Easter Egg Hunt will be Sat. April 16 at 1PM at the Clayton School Yard.

Motion by Brandel, second by Kinhead to adjourn at 6:32 PM. All ayes, motion carried.

Next regular meeting will be April 18, 2022 at 6:00 P.M.

ATTEST:

---

Dave Hart, Mayor

---

Bonnie Basemann, City Clerk,
